Re: Thank you for your renewed commitment to public service!

Dear Murray,

The KLCOA would like to extend to you, a welcome back to public service. We look forward to working with you and your council in a collaborative way toward strengthening the local economy and infrastructure, protecting our water and shorelines and balancing the relationships between seasonal and full time residents.

We hope that once again you will attend our Annual Spring Meeting to share your insights and updates with our members. We will reach out in the New Year with a date and the format.

In the meantime, please let us know when and how we can contribute.

Sincerely,
